

KING & HURCH FURNITURE, INC.

Hello,

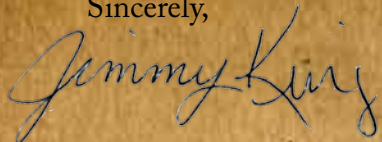

Thank you for your interest in our church furniture.

King Church Furniture, Inc. has proudly supplied thousands of churches throughout the United States and abroad with fine quality furnishings since 1946. We build practically all styles, using solid wood and upholstery of the finest quality. Since all orders are custom built, special details and changes can be made to assist your church in achieving the look you desire.

It would be impossible to show all the pieces of furniture we manufacture in our catalog. You may view other options and our beautiful chancel pieces at our website:

If you would like a quote, I or any of our sales representatives will be happy to give you a firm price over the telephone followed by a written confirmation. If you would like additional information or have any questions, please give me a call. I look forward to hearing from you.

Sincerely,
